AT YOUR DOOR®

DOORS IN THIS SECTION ARE SHOWN IN DOUGLAS FIR
WITH TEAK STAIN UNLESS OTHERWISE NOTED

NANTUCKET COLLECTION™

Nantucket Island is a place of great beauty that withstands the harsh coastal weather of the North Atlantic. That same resilient charm is expressed in the Nantucket Collection™ by Simpson. Featuring a 10-year warranty, these doors combine weather-resistant wood species with a modified mortise-and-tenon construction technique. The result is a door that will retain its rugged beauty, regardless of what nature sends its way.

77860

Shown in Douglas fir with 77260 sidelights with flat panels and optional shaker sticking

77860 FP

Shown in Douglas fir with 77260 sidelight with flat panels, optional shaker sticking and sea spray glass. Privacy Rating 5.

BEAUTY AND DURABILITY

Nicknamed “The Gray Lady” due to its regular foggy conditions, Nantucket is known for being historic, hardy and starkly beautiful. Windblown beaches and weather-beaten shingles are a way of life on this blustery island. This same spirit is reflected in our Nantucket Collection™...doors built to stand up to the elements while standing out, thanks to their classic design and unsurpassed craftsmanship.

EXTENDED WARRANTY

- 10-year warranty on doors made from Douglas Fir, Sapele Mahogany and Nootka Cypress
- No building overhang required

UNBEATABLE CONSTRUCTION

- Mortise-and-tenon joinery with face-driven pins
- Two-piece laminated stile-and-rail construction
- Divided lite doors made with SDL construction
- Design pressure ratings of DP50

WOOD SPECIES

You can choose from three wood species options. Because the grain patterns and color of natural wood will vary, your door will have a one-of-a-kind texture, warmth and personality.

ARTIST COLLECTION®

Art is the concrete representation of our imagination. It's about bringing dreams to life. This is the inspiration behind our one-of-a-kind doors. The Simpson Artist Collection® is an anthology of unique, limited edition door designs by select artists. Simpson partners with the artist to bring "commissioned art to the masses." Our Artist Collection doors are for America's most discriminating homeowners.

CRAFTSMAN COLLECTION

Fine craftsmanship has been a cornerstone of American architecture for generations. This foundation of quality and attention to detail made this country great. Simpson's commitment to building the best doors is as strong today as it was when we began over 100 years ago. Our Craftsman Collection allows you to capture the essence of this fine tradition, while making a statement that distinctly reflects your lifestyle. The difference is in the details. All Craftsman doors come standard with UltraBlock® Technology and a 5-year warranty.

TRADITIONAL EXTERIOR DOORS

There's a certain comfort in tradition. The passing down of skills and beliefs from generation to generation means you know exactly what to expect. Our traditional doors are made to be part of life's journey, no matter where it takes you. For over 100 years, Simpson has been engineering wood doors using the latest technologies. It's what we know. It's who we are. It's why you can expect the very best from every Simpson Traditional exterior door.

EXTERIOR FRENCH & SASH DOORS

The right doors can really make the view. French and Sash doors have been favorites of homeowners because they naturally connect living spaces with outdoor settings by allowing light to pass through.

Our Exterior French and Sash doors are made with your choice of Simulated Divided Lite (SDL) or True Divided Lite (TDL) construction, and can be specified with WaterBarrier® and UltraBlock® technology upgrades. So you'll maximize your view of the outdoors, while keeping the elements of nature at bay.

37635

Shown in hickory with optional seedy baroque glass

WATERBARRIER® TECHNOLOGY

WaterBarrier® technology helps preserve the beauty of your Simpson doors even in tough exposures subject to harsh weather. Available for virtually any Simpson exterior door, this innovation affords you superior water protection.

WaterBarrier combines a medium density overlay (MDO) over the exterior surface of the door with water-resistant glazing beads and bars for an exterior that's not only resistant to moisture, but provides a beautiful surface for paint. And when combined with any wood species on the inside, you can match your interior woodwork and keep the warmth and natural beauty that wood provides.

INTERIOR

EXTERIOR

37944 WB

Shown in Douglas fir with WaterBarrier® technology

WATERBARRIER® TECHNOLOGY

Water-resistant glazing bead and SDL bars on exterior side. Wood bars on interior side.

Primed Medium Density Overlay for flat surfaces

Innerbond® double hip-raised panels have a water-resistant primer

WEATHER SEAL™ PROCESS

Entire stile-and-rail joints coated and bonded to decrease the possibility of water infiltration

ULTRABLOCK® TECHNOLOGY

Composite block material finger-jointed into the bottom of the stiles

ULTRABLOCK® TECHNOLOGY

A long time favorite of Simpson's most discriminating customers, UltraBlock® technology adds a water-resistant composite block in the bottom of the door stiles, where water infiltration can occur in a tough exposure. Our exclusive Weather Seal™ process provides additional protection against moisture penetrating the bottom rail. It's our answer to the galoshes you splashed around in as a kid.

ULTRABLOCK TECHNOLOGY

5-year warranty and available for any 1-3/4" or 2-1/4" thick exterior door.

WATERBARRIER TECHNOLOGY

5-year warranty with no building overhang required and available for virtually any exterior door.

When ordering WaterBarrier technology, UltraBlock technology is always included.
